- (2) The Subcontractor remains fully responsible for the Subcontract Works, including to ensure, so far as is reasonably practicable, the health and safety of any of the secondary subcontractor's workers, and is not relieved from any liability or obligation under this Subcontract, notwithstanding any subcontracting of the Subcontract Works or any consent granted under clause 8.2(1).
- (3) The Subcontractor must obtain all relevant documentation evidencing that the secondary subcontractor has the relevant training, skills, licences and expertise, and must make this documentation available to the Contractor on request.
- (4) The Subcontractor must require its secondary subcontractors to implement their own binding guidelines for ethical behaviour and compliance with Modern Slavery Laws.
- (5) The Subcontractor must ensure that the terms of any arrangements entered into with secondary subcontractors in connection with the Subcontract Works:
 - (a) include provisions that are at least as onerous as those set out in clause 14A; and
 - (b) permit termination of those arrangements where the Subcontractor reasonably believes there has been, or is likely to be a breach by a secondary subcontractor, or its personnel, of any applicable Modern Slavery Laws.

8.3 Intention to suspend

- (1) The Subcontractor must promptly give to the Contractor's Representative a copy of any notice of intention to suspend work that the Subcontractor receives from any of its secondary subcontractors under the Security of Payment Act if that work forms part of the Subcontract Works.

Such payment does not relieve the Subcontractor of any of its obligations or liabilities under this Subcontract.
- (3) The Subcontractor indemnifies the Contractor against any liability, damage, loss, cost or expense (including legal costs) incurred by the Contractor arising from:
 - (a) a suspension by any of its secondary subcontractors under the Security of Payment Act if the relevant work forms part of the Subcontract Works;

The form of required Security is specified in Item 13.

9.3 Retention Monies

- (1) This clause 9.3 applies if the form of required Security specified in Item 13 is cash retention.
- (2) The Contractor is entitled to retain the percentage specified in Item 13 of each progress payment until the amount retained equals the percentage of the Subcontract Sum set out in Item 14.
- (3) The right to any interest accruing on retention monies vests in the Contractor.

9.4 Recourse to Security

- (1) If the Contractor considers that it has incurred or might in the future incur any liability, cost, expense, loss or damage of any kind as a consequence of any act, default, breach or omission of the Subcontractor in relation to this Subcontract or any other agreement with the Subcontractor, the Contractor may have recourse to the Security and may use the proceeds in any manner it sees fit.
- (2) The Subcontractor agrees that it will not institute any proceedings, exercise any right or take any steps to instruct or otherwise restrain:
 - (a) the financial institution that issued the Security from paying the Contractor pursuant to the Security;

Subject to the exercise of any right of recourse that the Contractor may have to Security, the Contractor's entitlement to Security will be reduced to 50% of the amount set out in Item 14 on the Date of Practical Completion for the whole of the Subcontract Works and provided that

the Subcontractor has given the Contractor an executed Deed of Release in the form set out in Schedule 5, the Contractor must return the released portion of the Security within 15 Business Days of receipt of a written request for the release from the Subcontractor.

9.6 Release of Security

Subject to the exercise of any right of recourse that the Contractor may have to Security, the Contractor's entitlement to the balance of the Security will cease on the later of the issue of the final payment schedule under clause 21.8 and the date on which all Defects identified during the Defects Liability Period have been rectified. Provided that the Subcontractor has given the Contractor an executed Deed of Final Release in the form set out in Schedule 6, the Contractor must return the balance of the Security within 15 Business Days of receipt of a written request for the release of Security from the Subcontractor.

9.7 Parent company or director guarantee

If the Subcontractor is a corporation that is related to or is a subsidiary of another corporation as defined in the *Corporations Act 2001* (Cth), operates under a trust structure or the owners of the business are otherwise requested by the Contractor to provide a guarantee and indemnity, the Subcontractor must, if requested by the Contractor, provide the Contractor within 10 Business Days of that request, and as a precondition to the entitlement to payment under or in connection with this Subcontract:

- (1) a deed of guarantee and indemnity in a form acceptable to the Contractor and duly executed by the guarantor corporation; or
- (2) a deed of guarantee and indemnity in a form acceptable to the Contractor and duly executed by one or more of the owners, directors or beneficiaries of the trustee or trust (as applicable),

for the benefit of the Contractor guaranteeing the performance of the obligations and the discharge of the liabilities of the Subcontractor under this Subcontract.

10 Indemnity by the Subcontractor

- (1) The Subcontractor indemnifies the Contractor against any Claim, damage (including damages for breach of contract at law), loss, liability, cost or expense (including legal fees and expenses) which the Contractor suffers, incurs or may suffer or incur (including any liability the Contractor may have to the Principal or any third party) arising out of or in connection with:

 - (a) name the Principal and the Contractor as named insured and cover those parties, and all secondary subcontractors to the Subcontractor, for their respective rights and interests and liabilities to third parties, and as between the Contractor and the Subcontractor, their liability to each other for death, personal injury or loss or damage to property arising out of the Subcontract Works;
 - (b) include a cross liability clause in which the insurer agrees to waive all rights of subrogation or action against any party comprising the insured, and for the purposes of which the insurer accepts the term "insured" as applying to each party comprising the insured as if a separate insurance policy were issued to each of them; and
 - (c) provide that a notice of claim given to the insurer by the Principal, Contractor or Subcontractor will be accepted by the insurer as a notice of claim given by the Subcontractor.
- (4) Notwithstanding clause 11.3, the insurances referred to in this clause 11.1 must extend to include the Contractor as a named insured or, where this is unobtainable, contain an agreement by the insurer to waive all rights of subrogation against the Contractor.
- (5) Before commencing any work and upon request, the Subcontractor must promptly provide to the Contractor's Representative copies of insurance policies together with certificates of currency. The Subcontractors failure to comply with this clause 11.1(5) entitles the Contractor (without being obliged to do so) to effect and maintain such insurance and the cost incurred is a debt due by the Subcontractor to the Contractor.

11.2 Notice of claims or likely claims

The Subcontractor must as soon as practicable give Notice to the Contractor's Representative of any occurrence which may give rise to a claim under an insurance policy. The Subcontractor must give all information and assistance requested by the Contractor's Representative in respect of any such claim or possible claim.

- (2) If the Subcontractor fails to make good the damage or loss after the Contractor's Representative has given the Subcontractor notice that it intends to have that work carried out by others if the Subcontractor does not carry out the work within the period specified by the Contractor's Representative, the Contractor's Representative may have that work carried out by others and any cost incurred is a debt due from the Subcontractor to the Contractor.
- (3) Despite any other provision of this Subcontract, the Subcontractor accepts as full payment for any reinstatement or replacement of the Subcontract Works that is the subject of an insurance claim, the amount of insurance proceeds recovered by the Contractor or Subcontractor in respect of that reinstatement or replacement.
- (4) If urgent action is necessary to protect the Subcontract Works, other property or people, the Contractor may take necessary action to protect the Subcontract Works. If the action taken by the Contractor was, in the opinion of the Contractor's Representative, action which the Subcontractor should have taken, the cost incurred by the Contractor is a debt due from the Subcontractor to the Contractor.

30 General

30.1 Continuing obligations

All indemnities and warranties are continuing indemnities and warranties in favour of the Contractor despite any final payment, the completion of the Subcontract Works or the termination of this Subcontract. It is not necessary for the Contractor to incur expense or to make any payment before enforcing a right of indemnity.

30.2 Amendment to Subcontract

Except as provided in clause 20, amendment or variation to this Subcontract is not effective unless it is in writing and signed by the parties.

30.3 Status of Subcontractor

The Subcontractor is an independent professional person and, in performing the Subcontract Work, is not for any purpose a partner, joint venturer, servant, agent or employee of the Contractor.

30.4 Reading down and Severability

- (1) If any provision of this Subcontract is unenforceable, illegal or void or makes this Subcontract or any part of it unenforceable, illegal or void, but would not be unenforceable, illegal or void if it were read down and it is capable of being read down, that provision will be read down accordingly.
- (2) If, notwithstanding 30.4(1) any provision in this Subcontract is still unenforceable, illegal or void or makes this Subcontract or any part of it unenforceable, illegal or void, then that provision is severed and the rest of this Subcontract remains in force.

30.5 Costs and outlays

Each party must pay its own costs and outlays connected with the negotiation, preparation and execution of the Subcontract.

30.6 Governing law and jurisdiction

The Parties accept the laws of the Relevant Jurisdiction as the governing law of this Subcontract and both Parties hereby submit to the non-exclusive jurisdiction of those courts and any court hearing appeals from those courts.

30.7 Waiver

The Contractor's failure or delay to exercise a power or right does not operate as a waiver of that power or right. The exercise of a power or right does not preclude either its exercise in the future or the exercise of any other power or right.

A waiver is not effective unless it is in writing.
