

## MARANO ENTERPRISES WELCOMES YOU TO THE 24 HOUR FUEL CARD SYSTEM

During service station trading hours, after pumping fuel, please proceed to the indoor point of sale and have the cashier tender your purchase.

After hours, simply take your card to the Compac card reader and follow the instructions to activate the pumps. Instructions for the use of the After Hours component of the 24 Hour Fuel Card system are always available at participating sites.

All 24 Hour Fuel Cards have a PIN which is used at the After Hours component of the Fuel Card System. We suggest the PIN is not written anywhere on the Fuel Card.

24 Hour Fuel Cards are linked to your account and Marano Enterprises takes no responsibility for charges incurred as a result of misuse or theft. If your cards are lost, stolen or damaged, contact Head Office immediately to cancel and replace.

Please treat the Fuel Card as if it were a credit card. Keep it away from magnetic fields, heat and do not subject it to extreme force. Store it in a protective sleeve, in your wallet, or a cool, dry place. Do not store it in direct sunlight.

**A monthly fee of \$1.00 per card will be applied to your statement.**

**Marano Enterprises thanks you for joining us in what we trust will be a long and beneficial relationship.**
